

February 14th 2019: PRODUCT STATUS NOTIFICATION – UtiliTrak[®] Wheel Plate Assemblies, Size 3, Crown Rollers, Shielded

BishopWisecarver is informing you of the obsolescence of several wheel plate assemblies from the UtiliTrak SW Series product line. The lifecycle change of these products is due to the obsolescence of the guide wheel components that are needed to complete these assemblies. More specifically, the sealed version of the size 3 crown rollers is obsolete.

Upon depletion of inventory the following products will be discontinued and will no longer be available:

BW Product Line	BW Stock Code	Product Description
UtiliTrak	UT3WPAR	SW Series Wheel Plate Assembly, Size 3, 3-Wheel, Crown Roller, Shielded
	UT3WPAR-4A	SW Series Wheel Plate Assembly, Size 3, 4-Wheel, Crown Roller, Shielded
	UT3WPAR-5A	SW Series Wheel Plate Assembly, Size 3, 5-Wheel, Crown Roller, Shielded

To support your application needs, alternative replacements have been identified:
