

2020 MFG DAY - STUDENT DESIGN CONTEST

Wisecarver Innovation Award

Idea:

What could you design to make your virtual learning experience easier?

Description:

2020 is throwing a curve ball and virtual learning is now the norm for at least the foreseeable future. You are now on your computer, at home, much of the day. **What would you design to make your learning experience easier?** It can be for your workstation, bedroom, desk, kitchen table, or something else to help you manage your experience. The goal is to design something that will enable you to make it easier to learn outside of the physical school building.

Winner:

One (1) winner will be chosen and receive \$250. Their school will also receive a \$1,000 donation from Bishop-Wisecarver.

How to Submit Your Idea:

Provide a 60-second video that includes an overview of the idea, what it does, how it helps you, and any drawings, prototypes, or concept designs you have developed to explain your idea.

Dates & Deadlines:

The design contest kicks off on October 2, 2020. Please submit a video and contact information to mfgday@BWC.com (see below contact information needed). Deadline to submit is November 2, 2020.

Name:

School Name & Address:

Grade:

Winner:

The leadership team at Bishop-Wisecarver will review all entries and determine the winner of the 2020 Wisecarver Innovation Award by December 2, 2020.

Three key areas will be used to determine the winner (in no particular order or importance ranking):

1. Innovation -- How does this idea represent an important tool to help learn virtually?
2. Thinking outside the box -- Originality of idea
3. Broad appeal -- Will a large number of students find it useful?

Eligibility:

Eligible to students currently enrolled in a primary or secondary accredited educational facility only.
